CT Food Bank ...

CTRPCV will sort food ... on Saturday... April 18, 2015

The Connecticut Food Bank annually distributes more than 15 million pounds of food to six of the state’s eight counties. Donations come from the food industry, through community member and corporate contributions, and via government subsidies.

At the CT Food Bank donations are organized and sorted by products before they are distributed at the warehouses. Member programs send
representatives to the warehouses to shop for food that is then distributed to those who need it most at local food pantries, soup kitchens and emergency shelters.

CTRPCV volunteers will inspect, sort and pack non-perishable food at CT Food Bank in East Haven on Saturday, April 18st from 9 AM to noon. Families welcome... it’s a great service project for kids. If you are interested: call or email Lois Fucci, 203-239-0169 or mailto:lafj@att.net.

From your Advocate

Due to a snow storm that shut down the Federal Government, the Peace Corps Day of Action was truncated. I was not in DC because of the snow, the government shut down and bronchitis. However CTRPCV Ed Pikaart braved the weather and arranged meetings. I called both senators offices and all 5 congress people. For the 1st time in a long time the CT congressional delegation was UNAIMOUS in signing the dear colleague supporting Peace Corps funding.

Be sure to thank your congress person. Give your name and country and years of service and perhaps what Peace Corps has meant to you and how the experience has influenced what you do and who you are today.

Special kudos to Ed Pikaart for a job well done.

This spring, NPCA kicked off “The Purpose-Driven Group,” a capacity-building series for member groups facilitated by the NPCA. Held every other month, this series is designed around the first of NPCA’s new strategic goals: to “enable members and member groups to thrive.” The first session, held February 3, engaged 43 attendees representing 29 member groups. We invite all groups to participate in Session Two. We offer live streaming for those who are not in the Washington, DC metropolitan area.

Dear NPCA Member,

Renew your NPCA membership today - https://secure.peacecorpsconnect.org/npcassa/ssauthmain.login_page - and remain connected to a talented network. Our community is full of inspiring individuals, like the RPCV who donated a kidney to a stranger she had never met and knew nothing about, other than that he also happened to be an RPCV. Or the RPCV who was asked to introduce First Lady Michelle Obama at the launch of the Let Girls Learn initiative for her work with the women’s collective Bosh Bosh. Or the RPCVs who opened a barbecue restaurant in Moldova and documented their experience online to inspire others in their local community to take the leap toward starting their own businesses.

These are just a few of the many members who make up our vibrant community, members who—like you—are an integral part of the Peace Corps community. Renew your NPCA membership today. Be inspired by the stories of your fellow
RPCVs and use our platforms to share your own.

The NPCA is here to champion you in a life of service. As a member, you are eligible for grants to support your Third Goal activities, have exclusive access to scholarships to elite graduate programs, are presented with opportunities to travel alongside fellow RPCVs, and so much more. There is no better way to stay engaged with our community.

**Please renew your membership today** - https://secure.peacecorpsconnect.org/npcassa/ssauthmain.login_page - and let us champion you in your lifelong commitment to service.

**An opportunity from Hesperian Health Guides**

Peace Corps Volunteers and RPCVs tell wonderful stories about how *Where There Is No Doctor* and other Hesperian books have helped them handle emergencies, promote health, help their host families, or care for their own health during their time in the Peace Corps. Whether *Where There Is No Doctor* was your go-to health reference or just your bedtime reading, every story you share helps us develop books and resources that better meet the needs of Peace Corps host communities and Volunteers.

**Send us** your story about using Hesperian books during your time in the Peace Corps, and be entered to win a Hesperian library for your host community. Humor, heroism, hysteria, hypochondria - we want to hear it!

Include in your submission the name of the country, region and village where you worked and how you used *Where There Is No Doctor* or other Hesperian book. You’ll get bonus points if you include a photo or video.

The three Peace Corps Volunteers or RPCVs who submit the best stories will win a complete library of Hesperian publications, to be designated to their host community.

So write a few paragraphs and send them to us. Your participation will help extend the impact of these books and Peace Corps
Volunteers for a new generation. Send your story to Lizzie LaCroix at rpcv@hesperian.org.

Please help us spread the word to other RPCVs! Share this email and join "Friends of Where There Is No Doctor" on Facebook to stay connected with other RPCVs dedicated to global community health issues. Hesperian Health Guides is a small nonprofit organization and depends on your support to keep our books updated and translated. Please consider purchasing a book or making a donation today.

**WHY someone should join CTRPCV.**

We need to create a list of **benefits** when one is a member of CTRPCV or a few reasons why we should be members of CTRPCV.

- a chance to break bread with people who are not only like you, but also LIKE you.
- connect with an RPCV who might just be your neighbor!
- ability to receive CTRPCV Directory so you can request help with your favorite community service project.
- if you are newly returned RPCV... we will LISTEN to your story because we too have been there! RPCVs are FAMILY. We never tire or hearing your stories, frustrations, what you miss and what you are finding strange about your return
- help an RPCV find a new job through the Mentor program. Mentor a newbie RPCVs and help them navigate their transition
- help support PCVs and/or CTRPCVs through the CTRPCV Community Service Grant Program.
- keep in the PCV loop, know about short-term stints if you are interested.
- find opportunities to continue to serve locally or overseas.
- find someone who: has kids the same age as yours; others who have married host country nationals.
- let others know about YOUR art, social, sport or local community service project.
- spread the GOOD WORD about the Peace Corpss.
- **We want to add a page to our website that would offer FREE ADVERTISING for CTRPCV members who own a business.**

**STAY CONNECTED!!!!**
Volunteer opportunities

The International Institute of Connecticut is looking for volunteers to become mentors to our refugee client one day a week for one hour. When a refugee arrives in Bridgeport, they often come with nothing and know no one. A mentor would be a liaison between the client and the Bridgeport community. Mentors can do a variety of activities with their mentee. They may bring refugees grocery shopping, they may cook a meal together or they may just do something fun to build a friendship.

If this is something you believe your members may enjoy, please feel free to pass on our the attached flyers and e-mail me for more information. I would also be pleased to come speak with your group. We would love to have your help. Thank you.

Sincerely,

Mattea Heller
