***** You will be the SPEAKER!!!**

- We will all introduce ourselves so that you will have a chance to possibly meet someone else who served where you did or meet a neighbor who is an RPCV.
- You are asked to bring 2 – 4 photos on a CD that you can use so you can illustrate the PCV story that you want to share.
- Please invite anyone who might be interested in joining the PC. This will be a perfect meeting for them.

★ There will be a short business meeting.

We'll elect the 2012-13 CTRPCV Board and Committee Members and Committee Chairs.

Nominations will be welcome at the meeting. We'd like more Board Members. In particular we need Committee members, but anyone who attends Board Meetings regularly has an equal vote.

... For your many years of service to the CTRPCV Board

Please come to this meeting to honor them!!!

They have devoted MANY years to serving as: chairs of a multitude of committees, treasurer, membership chair, vice-president, and president of CTRPCV. In addition they have helped organize: conferences, community service projects, monitor CTRPCV Community Service Grants, CTRPCV fundraisers, legislative action to procure retirement credit in CT for teachers who were PCVs. Most importantly, on a personal note, they have always been there to support me. There have been times when being president was weighing heavy on me, but I always knew that they were there and would pitch in and help whenever I asked. I value their friendship even more than their ever present service to CTRPCV. Please

Global House Party on September 22, 2012

How often do you get asked to put on your volunteer cap to simply have a good time? Would you like to host a party?

Now, the National Peace Corps Association is asking you to do just that!

We need 250 Volunteers to host a Global House Party on September 22, 2012.

Will you serve by hosting?

This won't be just any party. It will be a time to celebrate and commemorate the Peace Corps Act which was signed on September 22, 1961. Did Peace Corps impact your life? For better or worse, service has probably changed you. Now is your chance to share the Peace Corps experience with your current (and future!) friends and neighbors.

It's easy - just sign up to host your party now.

We've created a handy toolkit to give you some ideas for hosting your party. But, in true Peace Corps style, the food, music, location, and other logistics are really up to you!

After the parties, we'll collect the names of all attendees to show what happens when the Peace Corps Community acts together. PLUS, this will be a great time to move forward with the National Peace Corps Association's Find the 250k campaign.

If you haven't heard yet, we are looking for EVERY volunteer and staff member of the Peace Corps. Why? Because we believe that together, the Peace Corps Voice is stronger for advocacy, cultural understanding, and service. Each volunteer is important. So far, we have found 87,178 of the people who will serve by 2016. That's why we need your help.

We are asking every Global House Party attendee to give \$10 to the Find the 250k fund. This way, we can ensure a lasting legacy for Peace Corps.

You can even donate now! As a nonprofit organization, we really need your monetary help at this critical time to ensure that we keep the Peace Corps flame alive and help you to stay connected to other Peace Corps Volunteers.

THANK YOU!

CTRPCV Annual Summer Picnic

... 'twas a wonderful day!

August 25th was a bright and sunny day and it matched the attitude of the 75 RPCVs and perspective PCVs who gathered at Hammonasset State Park, Madison, CT. The tables were laden with all sorts of foods to share and the chatter was on going. It was truly wonderful to have people seeking information about becoming PCVs and those who have already been invited to join the PC come to join us and to have them listen to our STORIES. It was truly a win-win situation.

"EXOTIC" RECIPES ... SHARE YOURS!

At our Potluck Dinners people are always asking for the recipes of the food they just ate. Please think about writing down your recipe and making copies to hand out at the potluck dinner. We would love to include your recipes in our E-newsletter.

PEACE CORPS PLAYGROUP for KIDS

I am interested in getting together with other RPCVs who have little kids and want to meet up for monthly playdates. Now that Spring is here, and Summer is around the corner, I would like to set up monthly gatherings in different places (i.e., children's museums, the zoo, the aquarium, local farms, bicycle trails and parks, bouncy "fun" zones, etc.). The possibilities are endless. If you are interested in being a part of this playgroup, please send me an email with your name, your child's name (or children's names) and age(s), and the town where you live. Expressing your interest doesn't commit you to participate, but it will help me gauge the level of interest and plan the location of the playgroups. Also, if you have any thoughts or ideas regarding the playgroup, please include this with your email. All input is most appreciated.

A thank you note from Margo, Peace Corps Volunteer, Angaur Island, Palau, email: margo@palaunet.com to BookAid@aol.com and President Shanley:

Dear Peggy,

Thank you for the four boxes of books you sent back in January! The books arrived in Palau, and were sent to the Peace Corps office, some time in March, according to one of the other Volunteers who was in the office. Unfortunately, at that time we were between local staff support members, so I'm not sure when exactly the boxes reached Palau. The books were stored at the Peace Corps office until Ministry of Education got involved, and the books arrived here on Angaur Island at the end of April. Thank You!

I've attached three photos. The first is of the Third to Fifth Graders with their favorite selections. The second is of the recently combined Seventh and Eighth Grade English class with "The Pearl" (yes, nine boys and one girl, all cousins!).

The Third to Fifth Graders' hands-down favorite was "Puss in Boots", perhaps because of its "adorable" small size, or perhaps because they were already familiar with the story from cartoons.

Ironically, you sent 6 copies of "The Pearl" in a previous shipment and I passed them along to a Peace Corps Volunteer here in Palau, teaching high school. She said that her students *loved* "The Pearl", which I thought would be too difficult, but had already sent her copies on to *another* PCV, who teaches at Palau High School. As you see, we now have copies ourselves again since you sent them in this shipment, and I'm encouraged to try it myself next year! Thank you!

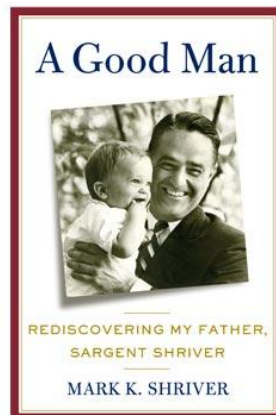

Also in that previous shipment were three copies of "Call It Courage", a coming-of-age story about a Polynesian island boy. The then 3-member Seventh Grade class loved this book, and through Peace Corps Family and Friends we received enough copies for the larger Eighth Grade class to read it as well. Thank you for this wonderful book! The students were split between which they preferred, "Call of the Wild" or "Call it Courage". It was wonderful to be able to read both excellent books as a whole class. We celebrated with movie night, watching a DVD of Charlton Heston in the Disney version. The book was better, of course!

The last photo is of me with the graduating Eighth Grade class. The graduates must leave Angaur Island next school year to live with relatives 4 hours away by boat and attend the only public high school in Palau. We'll miss them. Thank you for sharing your books with us this year! Margo, Peace Corps Volunteer, Angaur Island, Palau, email: margo@palaunet.com

Media recommendation by Maureen Shanley

"A Tribute to Sargent Shriver"

After a lifetime of searching for the path to his father's success in the public arena, Mark instead turns to a search for the secret of his father's joy his devotion to others, and his sense of purpose. He discovers notes and letters from Sarge; hears personal stories from friends and family that zero in on the three guiding principles of Sarge's life-faith, hope, and love-and recounts moments with Sarge that now take on new value and poignancy. In the process, Mark discovers much about himself, as a father, as a husband, and as a social justice advocate. *A Good Man* is an inspirational and deeply personal story about a son discovering the true meaning of his father's legacy." from <http://www.sargentshriver.org/>
